Intermediate Jazz Workshop (Drillham)	Any active wear is acceptable. Sneakers, ballet or jazz shoes acceptable with ballet shoes being the preference. If students wish to purchase a leotard, it should be navy blue.
Hight school, Senior Jazz &/or contemporary	Any active wear is acceptable. Sneakers, ballet or jazz shoes acceptable.

**\*\*\* We are in the process of organising a dance school tank top. If you'd rather purchase this than the leotard, any active wear is acceptable for the moment. Please ensure you have appropriate footwear.**

**It is expected that by the middle of Term 2, all students will have the correct uniform.**

I am happy, in term 1 for students to wear existing leotards and jazz shoes or singlet and shorts while they decide if dance is for them. Please note that a lack of footwear will make it hard to do some dance moves.

### **WHERE TO PURCHASE UNIFORM**

Leotard and Shoes are available from “*Dancewear and Gifts by Lana*”, 4 Prescott St Toowoomba, 46130666. They are happy to post out. Just mention my name and your child’s class and they will know what uniform is required. For ballet shoes – draw an outline of your child’s bare foot while standing and they can match it to a size shoe.

Stockings: I have stockings available for sale for \$10 which will be cheaper than in Toowoomba.

### **HAIR**

Hair needs to be tied back off the face. If hair is too short, a headband or clips should be used. This is very important as students’ posture changes immediately upon putting their hair up and as such helps them to dance better.

### **SECOND HAND ITEMS**

I have made a decision to keep our uniform to two leotard colours and for all students to wear ballet shoes. This is so that we will, over time develop a large second hand pool of clothing to help with the cost of dance and so that students who do both ballet and jazz will only require one pair of shoes.

Prices for second hand items vary depending on what the seller wants. Anyone who has second hand items for sale simply needs to put them in a bag with their name and the asking price. Buyers are asked to place monies in an envelope with the seller’s name and item purchased on it and hand to your teacher. Please contact me if you wish inquire about second hand items.

**NB. I would appreciate it if you spoke to me via email or phone regarding concerns/queries etc so that I can begin each lesson on time.**
